

Printing instructions: build your own 2016 Road Trip 3¹/₂ x 6¹/₂ inch Pocket Calendar

Download and then perform a double-sided print of the following seven file pairs (14 files all together), then, assemble, then staple on the mid-line, then fold in half, then trim to 3¹/₂ x 6¹/₂ inches.

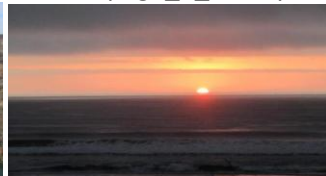

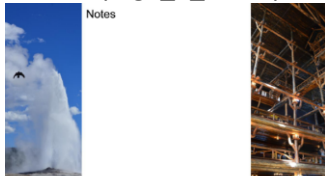

Trimming note: the images in these files are actually 1/8 inch oversize for image bleed (for trimming), and the individual month calendars are actually 1/8 inch undersize for safety set back, so that when trimming is completed the finished product will contain images that run right-to-left/top-to-bottom on their pages and the calendars will have maximum size without running off the page.
